

# New CMS-588 Electronic Funds Transfer Authorization Agreement (1/17) Version

---

## February 01, 2018

Effective 1/1/2018 the MACs may only accept the CMS-588 EFT (1/17) version; all outdated forms will be returned.

**Note:** PECOS application submissions should complete the topic view “Electronic Funds Transfer” and upload a voided check or bank confirmation letter under “Required and/or Supporting Documentation” electronically in PECOS, which replaces the paper CMS-588 EFT (1/17) form.
