March 02, 2018

If you are a participating provider in our Medicare plans and/or our Medicare-Medicaid plans (MMPs), you must meet the Centers for Medicare & Medicaid Services (CMS) compliance program requirements for first-tier, downstream and related (FDR) entities. You also have to confirm your compliance with these requirements through an annual attestation.

How to complete your attestation You'll find the resources you need to ensure your compliance on the [Medicare Compliance Attestation page of aetna.com](#). Once on the page, click "See Our Medicare Compliance Program Guide" or "See Our Office Manual" under "Need More Information." Once you review the information and ensure that you've met the requirements, you're ready to complete your attestation. Simply click the link on the Medicare Compliance Attestation page that corresponds to your contracting status. A single annual attestation meets all.
