

Jurisdiction K Part B Providers Receiving Hardcopy Standard Paper Remittances Moving to Weekly Mailing Schedule

May 29, 2018

Beginning 7/2/2018, NGS will change from a daily to weekly mailing schedule for JK Part B hard copy SPRs. The only exception will be SPRs that include a hard-copy check which will continue to be mailed daily. NGS encourages providers who have not yet signed up to receive their remittances electronically to do so to begin benefiting from the advantages of going electronic including:

- ⇒ Faster receipt of remittances
 - View your remittances the day the claim finalizes rather than waiting until the mail arrives
- ⇒ Streamlined reconciliation process with increased efficiency
 - Most billing software has the ability to automatically post electronic remittances allowing your staff to more accurately reconcile outstanding balances and track the progression of billed claims
- ⇒ Decreased storage and administrative costs
 - Eliminate the need to file and store hardcopy remittances

To sign up to receive ERAs or to view your remittances via NGSConnex, complete the [EDI Guided Enrollment form](#).
